

## TECHNOLOGY LENDING LIBRARY

In partnership with Easterseals Southern California, the Harbor Regional Center has developed a Technology Lending Library for individuals and families who are in need of technological equipment and support to continue services.

### DEVICES AVAILABLE FOR LOAN INCLUDE:

#### **DELL LAPTOP**

Traditional laptop for day services, vocational training, and telehealth

#### **iPad 10.2" Wi-Fi Cellular 32GB** iPad Protective Case with Built-in Screen Protector

iPad with screen protector and traditional touchscreen usage for day services, vocational training, and telehealth

#### **HealthJay's Barrier-Free JayPad Tablet and Self-Charging Stand**

JayPad is an Android tablet with traditional touchscreen, a self-charging stand to support the tablet, and an auto-join feature.

Auto-join allows individuals to receive services, telehealth, and phone calls with no action needed on their part.

Easterseals will be responsible for the equipment loan, training, and ongoing support. This includes support from the Easterseals IT Helpdesk.

If you or a family member are interested, please contact your Service Coordinator
